PROCEDURES FOR REQUESTING TRANSCRIPTS

REQUESTING TRANSCRIPTS

Complete a TRANSCRIPT REQUEST FORM (reverse side) and submit this form with your application.

A few colleges request that preliminary data (sometimes called “Part I”) and the fee be sent to them before you submit the whole application. In those cases, mail Part 1 and the fee directly and request the transcript to be sent with the rest of the application.

APPLICATIONS

Completed applications should be given to your Counselor’s Secretary with all supplemental materials. Applications should be submitted in an addressed envelope, using the high school’s return address (201 N. Scoville, Oak Park, IL 60302) with appropriate postage.

DEADLINES

During peak periods, college applications can take more than three weeks to process. Know your deadlines and submit your applications in time for us to meet those deadlines. Do not include school holidays and vacations when you calculate the three to four weeks needed to process applications.

MID YEAR REPORT

Some colleges request seventh semester transcripts (Mid Year Reports). Please turn in a stamped envelope for each Mid Year Report, along with the college’s Mid Year Report Form. Make sure you fill in the top part (especially your name!)

REPORTING TEST SCORES TO COLLEGES

All ACT and SAT scores reported to the high school will appear on your transcript. Most colleges will accept these scores for admissions purposes. If you want to remove scores from your transcript, please see your Counselor for a Test Score Report Form.

We do not place PSAT, SAT II, or AP scores on transcripts.

If you did not have scores sent at the time you registered to take the tests and a college requests an “official” test score be sent, go online to the testing company to have your scores sent directly to the college from the testing company.

COMMON APPLICATION

After the Common Application is completed, please make copies for each college that you are applying to. Separate envelopes, applications, and transcript request forms must be submitted. However, only one Counselor Form needs to be turned in. We will make copies after your Counselor completes the form.

REMEMBER

A COMPLETED TRANSCRIPT REQUEST FORM must accompany each application.

*If you have questions regarding these procedures,
please see your Counselor before signing the Transcript Request Form.*
