

## **How To Configure a Mac for Skyward**

- 1) Download and install Mozilla Firefox from [www.mozilla.com](http://www.mozilla.com).
  - a. Printing WILL NOT WORK from Safari.
  
- 2) Download and install the Mac Citrix client (v10.00.600) from our website.
  - a. <https://webica.iscorp.com/Clients/clients.html>
  
- 3) Once Firefox and Citrix have been installed simply go to one of the following links and log in with your Citrix username and password. Please note that after logging in if you do not see any icons for skyward try the other link. You will need to email [helpdesk@iscorp.com](mailto:helpdesk@iscorp.com) if you do not have your login information.
  - a. <https://webica.iscorp.com/SkywardLegacy/auth/login.aspx>
  - b. <https://webica.iscorp.com/Skyward/auth/login.aspx>
