

Are You Considering Running as a Board Member in Oak Park?

Please Join IGOV for a Candidates Workshop for all Potential Oak Park Governing Board Candidates

The Candidate's Workshop is designed to provide an overview of the various facets that go into running a successful campaign for office. A presentation by The Citizen Advocacy Center will discuss the process of becoming a candidate. Following this presentation there will be a panel discussion with current board members from Oak Park's six taxing bodies. These board members will provide insight into the various expectations of being on a board. A brief overview of each of the taxing bodies will also be provided. At the conclusion of the event, each interested candidate should have a better understanding of what it takes to run for office, as well as expectations that come with being an elected official in Oak Park.
